

7/4 (Shoreline) - (Shoreline)

Broken Social Scene

It's a shoreline
It's high speed
It's a cruel world And it's time
And you want to get away
Oh where to go to
When you want to get it out
Oh how to get through
If you want to get it all
You can own what you choose
And you want to live a lie
And love what you lose It's a shoreline
It's high speed
It's a cruel world
And it's time And you're walking away
And you try to get through
But you've got another life
From the lies they told you
And you try to do it right,
And they all will see you
If you try to steal the beat ohh
The beat will steal you
