You Do Something to Me

Lee Wiley

You do something to me
Something that simply mystifies me
Tell me, why should it be
You have the power to hypnotize meLet me live 'neath your spell
You do that voodoo that you do so wellFor you do something to me
That nobody else could do.Let me live 'neath your spell
You do that voodoo that you do so wellFor you do something to me
That nobody else could doThat nobody else could do
