Advisory - the following lyrics contain explicit language:

Let me see your gold shine, let me see your gold shine  
Let me see your gold shine, let me see your gold shine  
Let me see your gold shine, let me see your gold shine  
Let me see your gold shine, let me see your gold shine  
Let me see your gold shine, let me see your gold shine  
Hoody hoo is the one where we all play this game  
Gold chain pinky ring say the hell for some fame  
Hustle in to tha in ain't afraid of the pen  
Treated dogs like it's ken got his brand on his skin  
Drank in this of that henny I went to find some women  
A hoe can come with Genny but she don't give a penny  
I'm out there havin' plenty  
I'm slangin' shit like Lenny  
From Good Times to South Park you can die like Kenny  
So try to get some money for those actin' funny  
You stay about tha cheese man muthafuckin' hunny  
Now don't you be a dummy play me like yo mummy  
I try to keep it business to keep food in my tummy  
Tha ghetty ghetty green on them 20's riding clean  
'Cause paper chasing just I'm like a fiend  
It's yo boy Project Pat never catch me droppin' dimes  
I'm a let my gold shine, I'm a let my gold shine  
All playas hustle in let me see your gold shine  
All my playas coming up let me see your gold shine  
Gold rings gold chains gold teeth on the grind  
Let me see your gold shine, let me see your gold shine  
All playas hustle in let me see your gold shine  
All my playas coming up let me see your gold shine  
Gold rings gold chains gold teeth on the grind  
Let me see your gold shine, let me see your gold shine  
Could it be a dream crunchy bling bling  
Crunchy on the scene Rolex diamond ring  
Hypnotize bling when you see me  
I'm a shine like diamond in your fuckin' screen  
Like a diamond I'm a shine free so you know its me  
Every time you writing rhymes Coco all you know its me  
Bustas always hatin' me knowing they be playin' me  
Get a name right next time you dissin' me on this CD  
BDouble O seven money I was playin' on a play station  
Ride by waving at you haters  
Holla at ya see ya later alligator

Skin cold world busting cowards curtain  
You ain't fuck what you mean playa Playas from tha Hollywood evergreen is my hood  
Smoking city show them gold teeth  
Riding in tha woods brakin' on some pound  
In tha south Memphis fuckin' town  
Chiffin' on some hay every day like a coupon All playas hustle in let me see your gold shine  
All my playas coming up let me see your gold shine  
Gold rings gold chains gold teeth on the grind  
Let me see your gold shine, let me see your gold shine All playas hustle in let me see your gold shine  
All my playas coming up let me see your gold shine  
Gold rings gold chains gold teeth on the grind  
Let me see your gold shine, let me see your gold shine I was riding through the wood  
Now pushing me a ? nobody in tha hood  
Now my chrome I think I flips  
I was wishin' I was you now you wish you was me Take a walk in my shoes ahh, it could never be  
See you playas staying down till you rise like some hoe  
If he true to his game then his game staying in flow  
Who can go With this real ass shit that I spit  
If you real and you know it then man toss a bitch  
To a real tight playa south side playa  
Mask on my mug when I blast on a hate Boots what I'm pockin' robbers are watchin'  
Nine milaluga man that's what I'm pockin'  
Flames I diminish I falls to the finish  
This ain't Popeye so I don't need me spinach I'm just a young man havin' thangs on a grind  
I'm a let my gold shine, I'm a let my gold shine All playas hustle in let me see your gold shine  
All my playas coming up let me see your gold shine  
Gold rings gold chains gold teeth on the grind  
Let me see your gold shine, let me see your gold shine All playas hustle in let me see your gold shine  
All my playas coming up let me see your gold shine  
Gold rings gold chains gold teeth on the grind  
Let me see your gold shine, let me see your gold shine All playas hustle in let me see your gold shine  
All my playas coming up let me see your gold shine  
Gold rings gold chains gold teeth on the grind  
Let me see your gold shine, let me see your gold shine
