

# To Be Over

## Yes

We go sailing down the calming streams  
Drifting endlessly by the bridge  
To be over, we will see, to be over Do not suffer through the game of chance that plays  
Always doors to lock away your dreams  
Think it over, time will heal your fear, think it over  
Balance the thoughts that release within you Childlike soul dreamer, one journey, one to seek  
And see in every light do open, true pathways away  
Carrying closer go gently, holding doors  
Will open every way, you wander through pathways away After all your soul will still surrender  
After all don't doubt your part, be ready to be loved
