

Beef Jerky

[John Lennon](#)

My weight is 300 pounds
My favorite is beef jerky
I'm a vagabond, I'm a vagabond
My mom says, "You are kinky" Who cares? I don't care
A horse's ass is better than yours
Who cares? I don't care
A horse's ass is better than yours Who cares? I don't care
A horse's ass is better than yours
Who cares? I don't care
A horse's ass is better than yours Lay down here, baby
Just relax, honey
My baby horse is Jennifer
What a beefy hip! She has a fine coat of fur
What shiny hair! Who cares? I don't care
A horse's ass is better than yours
Who cares? I don't care
A horse's ass is better than yours Who cares? I don't care
A horse's ass is better than yours
Who cares? I don't care
A horse's ass is better than yours Let's eat carrots together until
Let's eat carrots together until
