

Inhale & Exhale

Natel

INTRO

me just deh yah with me
biggy dem pon a ends
just hold a rem
still deh yah and a meditate
celebrate life, and a hold the faith
still deh yah when times get tough
cause somehow we still find a way
everyday
me just get a youth and
so me know me haffi mek it now
no day nah past weh she nuh eat

CHORUS

I know jah never give we more than we can bear
how we fi have life and a seh that it don't fair
if you ask how I'm doing, I say am okey
cyaan complain as long as we a inhale and exhale
things nah go we way, today
but tomorrow is another day
ask how I'm doing I say can't complain
I'm okay, as long as we a inhale and exhale

VERSE 1

still deh inna the street, haffi find the food fi the heart
you nuh seet?
more time we rough it pon the cold concrete
the only sheet a rizzla inna me pocket
still deh yah and we nah ease up
want we own car, tired a the squeeze up
me nuh lie ,sometimes the struggle get tough
and a one thing mek me nuh give up

CHORUS
