

See You

Lions Head

I was alone,
stumbling my way home,
took a while to finally find my bed.
Those other ghosts,
rolling up the coast,
messin' with the memories in my head. It seems funny though,
no-one seems to know you,
wrung me out, and hung me up to dry
Lost loves an itch,
you're a sinner and a witch,
I hate you but I hate to see you cry. I don't wanna see you go,
but I don't wanna see you.
I don't wanna see you go,
but I don't wanna see you. Some are fast some are mean,
some are somewhere in-between,
and it makes me think of you,
don't wanna see you, but I do.
Some are fast some are mean,
some are somewhere in-between,
and it makes me think of you,
don't wanna see you,
but I don't wanna see you go,
but I don't wanna see you.
Slap on the wrist,
one more for the list, of ways you burnt me deep down to my core,
those petty jokes,
were more than subtle pokes,
you said it all- a million times, for sure
I don't wanna see you go,
but I don't wanna see you.
I don't wanna see you go,
but I don't wanna see you. Some are fast some are mean,
some are somewhere in-between,
and it makes me think of you,
don't wanna see you but I do.
Some are fast some are mean,
some are somewhere in-between,
and it makes me think of you,
don't wanna see you but I, don't wanna see you go,

but I don't wanna see you.
I don't wanna see you go,
but I don't wanna see you.
Some are fast some are mean,
some are somewhere in-between,
and it makes me think of you. Some are fast some are mean,
some are somewhere in-between,
and it makes me think of you.
I don't wanna see you go,
but I don't wanna see you.
I don't wanna see you go,
but I don't wanna see you.
