See it coming at my head
I'm not running, I'm not scaredBig black monsoon
Take me with youI'm not jerking, I won't hide
Yeah, I'm ready
Meet ze monsta tonightBig black monsoon
Take me with youOw, what a monsta!
What a night!
What a lover!
What a fight!Big black monsoon
Take me with youYes it's coming out of this world
Yeah, I'm lucky, lucky girlHell ain't half full
