

Dosed

Red Hot Chili Peppers

I got dosed by you and
Closer than most to you and
What am I supposed to do Take it away, I never had it anyway
Take it away and everything will be okay In you a star is born and
You cut a perfect form and
Someone forever warm Lay on, lay on, lay on, lay on
Lay on, lay on, lay on, lay on Way upon the mountain where she died
All I ever wanted was your life
Deep inside the canyon, I can't hide
All I ever wanted was your life Show love with no remorse and
Climb on to your seahorse and
This ride is right on course This is the way, I wanted it to be with you
This is the way, I knew that it would be with you Lay on, lay on, lay on, lay on
Lay on, lay on, lay on, lay on Way upon the mountain where she died
All I ever wanted was your life
Deep inside the canyon, I can't hide
All I ever wanted was your life I got dosed by you and
Closer than most to you and
What am I supposed to do Take it away, I never had it anyway
Take it away and everything will be okay Way upon the mountain where she died
All I ever wanted was your life
Deep inside the canyon, I can't hide
All I ever wanted was your life
