

Just Like Heaven (The Cure)

Gatsby's American Dream

"Show me, show me how you do that trick
The one that makes me scream", she said
"The one that makes me laugh", she said
And threw her arms around my neck Show me how you do it
And I promise you
Promise that I'll run away with you
I'll run away with you Spinning on that dizzy edge, I kissed her face and kissed her head
And dreamed of all the different ways I had to make her glow
"Why are you so far away?", she said
"Why won't you ever know that I'm in love with you, oh, I'm in love with you" You, soft and only you
Lost and lonely, you
Strange as angels dancing in the deepest oceans
Twisting in the water, you're just like a dream Daylight licked me into shape, I must have been asleep for days
And moving lips to breathe her name, I opened up my eyes
And found myself alone, alone, alone above a raging sea
That stole the only girl I loved and drowned her deep inside of me You, soft and only you
Lost and lonely, you, just like heaven
