Do I Ever Cross Your Mind

Cher

Do I ever cross your mind, darling? Do you ever see
Some situation somewhere, somehow triggers your memory?
And do you ever wonder what became of all the time
And, darling, do I ever, ever cross your mind?Do you ever want to know if all dreams go on endlessly?
Or do they just run down somehow, gradually become the custody
Or that melancholy jaded by the time
And, darling, do I ever, ever cross your mind?Do I ever cross your mind [Incomprehensible]
When you're lonely or does that only happen to me?
Darling, don't you ever wonder what became of all the time?
And, darling, do I ever, ever cross your mind?Do I ever cross your mind [Incomprehensible]
When you're lonely or does that only happen to me?
Darling, darling, don't you ever wonder what became of all the time?
And, darling, do I ever, ever cross your mind?Darling, do I ever, ever cross your mind?
