

Smile (cover of Charlie Chaplin song)

Glee Cast

Smile though your heart is aching
Smile even though its breaking
When there are clouds in the sky, you'll get by
If you smile trough your pain and sorrow
Smile and maybe tomorrow
You'll see the sun come shinning trough
For you

Light up your face with gladness
Hide every trace of sadness
Although a tear may be ever so near
That's the time you must keep on trying
Smile, what's the use of crying?
You'll find that life is still worthwhile
If you just smile

That's the time you must keep on trying
Smile, what's the use of crying?
You'll find that life is still worthwhile
If you just smile

Smile though your heart is aching
Smile even though its breaking
When there are clouds in the sky, you'll get by
That's the time you must keep on trying
Smile, what's the use of crying?
You'll find that life is still worthwhile
If you just smile

You'll find that life is still worthwhile
If you just smile
