

Reason

RollerBlue

He said things happen for a reason
It's not as they say just the time and season
Why don't you go where you want to go
Why don't you fly away some time
You'll find, a reason to beChorus
I'm going, I'm going away
Far away this time
I'm going, I'm going away
You don't have to see my face no more
I'm out that door
Cause I, I found a reasonHe said listen well
Just need just one more thing
You need to be strong to keep going on your journey
Why don't you go where you want to go
Why don't you fly away some time
You'll find a reason to beChorus
