

# It's Alright

## Black Sabbath

Told you once about your friends and neighbors  
They were always seeking but they'll never find it  
It's alright, yes it's alrightWhere to go and where to see  
It's always been this way and it can never be  
It's alright, yes it's alrightGive it all and ask no return  
And very soon you'll see and you'll begin to learn  
That's it's alright, yes it's alrightUh uh uh  
Uh uh uh  
It's alright, it's alrightDon't you know that it's so good for you  
You can be making love and see it all go through  
But it's alright, yes it's alrightTold you once about your friends and neighbors  
They were always seeking but they'll never find it  
It's alright, yes it's alrightOh oh oh  
Oh oh oh  
Uh uh uh  
Alright, alright, alright, alright, alright, alright
