More than Life

Normal Generation?

Stand by everything You said
Stand by the promises we made
Let go of everything Ive done
I'll run into Your open arms
And all I knowChorus:
I love You more than life
I love You more than lifeFall back on everything You've done
Fall back on everlasting arms
When all the world is swept away
You are all the things I need
You're the air I breatheHow can it be
You were the one on the cross that died for me?
Lifted for all our shame?
How can it be
The scars in Your hands are for me?
You are the king of all
