Hey Joe

Dead Moon

Hey joe
Where you going with that gun in your hand
Hey joe
Where you going with that gun in your handGoing down to shoot my old lady
You know I caught her messing around with another man
Going down to shoot my old lady
You know I caught her messing around on meHey joe
I heard that you shot your old lady down
Hey joe
I heard that you shot your old lady downYes I did, I shot her her
You know, I caught that girl messing around town
Yes I did, I shot her her
You know, I caught that girl messing around townI took out my gun,
Then I shot her
I shot herHey joe where you gonna run to now
Hey joe
Where you gonna run to now
Where you gonna goAin't no hangman gonna
Get a rope around me
Ain't no hangman gonna
Get a rope around me. (no one gonna)Goin' way down south
Way down to mexico way
Goin' way down south
Way down where I can be free
