Is There Anybody Out There? (Piano Mix)

Nicki French

Is there anybody out there?
Is there anybody out there?What's wrong with me?
Why can't I find someone to be the love of my life?
It may seem unreal but sometimes I feel
Just like a song without a tune
Just like the stars without the moonAnd just like a heart with no home
I continue aloneIs there anybody out there?
Who can rescue me?
Must be somebody somewhere
Who can set me free
Is there anybody out thereWhat's wrong with love?
Why must it be a stranger to me? It's a mystery
What can I do? Sometimes it's true
I feel like a play that nobody's seen
Just like a king without his queenAnd just like a heart with no home
I continue aloneIs there anybody out there
Who can rescue me?
Must be somebody somewhere
Who can set me freeIs there anybody out there?
Who can rescue me?
Must be somebody somewhere
Who can set me freeIs there anybody out there?
Is there anybody out there?And just like a heart with no home
I continue aloneIs there anybody out there
Who can rescue me?
Must be somebody somewhere
Who can set me freeIs there anybody out there
Who can rescue me?
Must be somebody somewhere
Who can set me freeIs there anybody out there?
Is there anybody out there?Is there anybody out there?
Is there anybody out there?
Is there anybody out there?
