Are The Good Times Really Over

Wynonna Judd

I wish a buck was still silver, it was back when the country was strong
Back before Elvis, before the Vietnam War came along
Before The Beatles and 'Yesterday' a man could still work and still would
Is the best of the free life behind us now?
Are the good times really over for good?
Are we rolling downhill like a snowball headed for hell?
With no kind of chance for the flag or the Liberty Bell
Wish a Ford and a Chevy could still last ten years like they should
Is the best of the free life behind us now?
Are the good times really over for good?
I wish coke was still cola and a joint was a bad place to be
Back before Nixon lied to us all on TV
Before microwave ovens when a girl could still cook and still would
Is the best of the free life behind us now?
Are the good times really over for good?
Are we rolling downhill like a snowball headed for hell?
With no kind of chance for the flag or the Liberty Bell
Wish a Ford and a Chevy could still last ten years like they should
Is the best of the free life behind us now?
Are the good times really over for good?
So stop rolling downhill like a snowball headed for hell
Let's stand up for the flag and let's all ring the Liberty Bell, amen
We're makin' Fords and Chevy's to last ten years like they should
The best of the free life is still yet to come
The good times ain't over for good
