Everybody's Next One

Steppenwolf

She's all alone, she's lost another one

Met him yesterday, now he's already goneAnd though tonight she'll swear it was the last time A smilin' face will come that knows the right lineAnd then she'll do all the right things with the wrong guy And when he's gone, next day she'll sit and wonder whyShe doesn't know why she's everybodys next one 'Cause she's afraid that the truth is gonna hurt some

All the pity in the world, ain't gonna help none

She has to realize that to keep one, her ways have to change someShe tries too hard, and she comes on too strong Digs herself too much, and thinks she can't be wrongShe's too impressed by things that do not matter To be the queen of hearts is what she's afterAnd then she'll do all the right things with the wrong guy And when he's gone, next day she'll sit and wonder whyShe doesn't know why she's everybodys next one 'Cause she's afraid that the truth is gonna hurt some

All the pity in the world ain't gonna help none

She has to realize that to keep one, her ways have to change someShe doesn't know why she's everybodys next one

'Cause she's afraid that the truth is gonna hurt some
All the pity in the world ain't gonna help none
She has to realize that to keep one, her ways have to change some
