Thirty bands, thirty bands, thirty, th-th-thirty bands  
Travvyyyyyy  
[Hook]Rari, Audi, SS, match  
Rolly, Big face, 30 bands  
Keisha, Meisha, Neisha, smash  
Cribos, top floor, count up cash!  
Thirty bands, thirty bands, thirty bands, thirty bands  
Cribos, top floor, count up cash  
Big face, roly, 30 bands  
[Quez]Chilling at the cribos, just got back in town  
Thumbing through the check, I'm always losing count  
Man, they call me Black Boe Badass, tell them hoes to wipe me down  
If you step inside my closet, that shit look like Nike town, uhh!  
Wooooooh, and I keep a rubberband  
And a shout out to my roly, that shit cost me thirty bands, oh  
On top, smoking weed and switching gears  
If you wanna live like me, my n-gga, this is how it is  
Talk to 'em!  
[Hook]Rari, Audi, SS, match  
Rolly, Big face, 30 bands  
Keisha, Meisha, Neisha, smash  
Cribos, top floor, count up cash!  
Thirty bands, thirty bands, thirty bands, thirty bands  
Cribos, top floor, count up cash  
Big face, roly, 30 bands  
[Ali]Left pocket 15, right pocket 15  
Thirty racks, in my jeans  
  
F-ck around, with my team  
In the club it's a light show, twenty bottles on sight, hoe  
Rose, get it right hoe, party like this all night hoe  
Ciroc, yeah I drink it straight, double S in that Chevrolet  
Make it rain on the interstate, Strap and Quez they racing me  
In the club, make it rain, thirty bands, chump change  
Cribos, top floor, counting up, running through them thangs!  
[Hook]Rari, Audi, SS, match  
Rolly, Big face, 30 bands  
Keisha, Meisha, Neisha, smash  
Cribos, top floor, count up cash!

8 racks at Saks, so you know we getting money  
Them n-ggas talkin' slick, man my n-ggas bout that gunplay  
I get my Louis from Tokyo, I spend a mil on my condo  
And the seats in the whip and the feet on the whip, make the hoes wanna f-ck me pronto  
You aint talkin' money, n-gga no convo  
Two hoes wanna f-ck em in a convo  
F-cked up way up on the top floor, big face roly cost me a Benzo
