Jesus Saves

Greg Long

Jesus saves, I know that Jesus saves
Jesus saves, I know that Jesus savesDriving down the highway
It jumped out and caught my eye
Painted there in neon green
Well, it couldn't be deniedJust two simple words
On that bridge for all to see
The answer for a lonely world
How easy could it be?Complicated living needs a complicated cure
At least that's what I've heard
But suddenly what I believe gripped the very heart of me
As simple as it seems, nothing says it better thanJesus saves, I know that Jesus saves
Jesus saves, I know that Jesus saves
There's nothing more that I can say
It's just enough that Jesus savesThere's a man in Southern Haiti
Who's got a call to reach the lost
He's schooled in his theology
And all the meanings of the crossHe sees a world that's dying
Knows the one thing left to say
Is wrapped up in two simple words
That are never gonna changeI think it's time we put aside
Things that only cloud the mind
It's enough to speak the truth
Take a look, you will see, what it is that sets us free
As simple as it seems, nothing says it better thanJesus saves, I know that Jesus saves
Jesus saves, I know that Jesus saves
There's nothing more that I can say
It's just enough that Jesus savesHe came for the lost and the hurting
Oh and He died for the broken souls
And He lived for the ones who are searching
We've gotta let 'em knowJesus, I know that Jesus
Jesus, I know that Jesus saves
Jesus, I know that Jesus
Yeah, yeah, Jesus, I know that Jesus savesJesus, I know that Jesus
Yeah, yeah, Jesus, I know that Jesus saves
Jesus, I know that Jesus
Yeah, yeah, Jesus, I know that Jesus savesHe saved me, He forgave me
Yes, Jesus saves that's just enough
He saved me, He forgave me
Yes, Jesus saves it's just enoughYes, Jesus saves, yes, Jesus saves

Yes, Jesus saves, it's just enough
I know He saves, I know He saves
I know He saves, I know He saves meI know, I know, I know He saves
I know He picked me up
He turned me around
He placed my feet on the [Incomprehensible]
