

After The Last Midtown Show

The Academy Is...

Its a drunken midnight on the streets
Brightly dusted with a neon light
We duck behind the corner store
Smoke your smokes while I keep a watchful eye
Right here, right now I hope before the night is through
One fumbled touch will finally hit the spot
Youve got everything going for you
So Ill go for you with everything I've got Right here, the best days of our lives
Is this coincidence or a sign?
Is there anything I missed?
Is there anything I missed?
Tell me if Im wrong but why would we change a thing? When the morning light fights through the cracks
Cascading across the bed and you are mine
When your parents start to wake for work
Between the sheets keep a watchful eye Right here, the best days of our lives
Is this coincidence or a sign?
Is there anything I've missed?
Is there anything I missed?
Tell me if Im wrong but why would we change it? When we met I was on my back
I swear we spent most afternoons somewhere in the act
We were part of something ours and ours alone
Anywhere was home, were almost here again When we met I was on my back
I swear we spent most afternoons somewhere in the act
We were part of something ours and ours alone
Anywhere was home, were almost here again
Were almost here again, were almost here again
Right here, right now
