

Strip to This (feat. ForteBowie)

Cherub

I like when you work it, and shake it slow
Yeah you work hard for the money
And that I know, oh yeah you're the star
Of the show
Kick your ass up high and you hip down low,
Yeah the twerk twerk twerk like a god dman pro,
'Cause you're a star from head to toe
Watch my money go up & down, pick it up
Is this love? Or I am drunk?
It's the only night I'm in town, then I'm gone
This is lust, I wanna f-Find out that you were new in town,
Yeah you need a little money to get alright
I'll drop your clothes on the floor, yea
Throw your ass in the air like you don't care
Pop that pussy two times, make my cash disappear
On the floor, I'll invest in you
Show me what that pussy do!
Watch my money go up & down, pick it up
Is this love? Or I am drunk?
It's the only night I'm in town, then I'm gone
This is lust, I wanna f-Find out if that pussy pay your bills,
She twerking for a meal,
She twerking for a meal tonight
That body gon' change your life
Let me find out if pussy pay your bills
She twerking for a meal,
She twerking for a meal tonight
That gon' change your life
Watch my money go up & down, pick it up
Is this love? Or I am drunk?
It's the only night I'm in town, then I'm gone
This is lust, I wanna f-
