

Familiar Taste of Poison (Live from Philly 2010)

Halestorm

Drink the wine, my darling, you said
Take your time, and consume all of it
But the roses were only to drain my inspiration
The promises were spoiled before they left your lips and?I breathe you in again
Just to feel you underneath my skin
Holding on to the sweet escape
Is always laced with a familiar taste of poisonI tell myself that you're no good for me
I wish you well, but desire never leaves
I could fight this 'til the end
But maybe I don't want to winI breathe you in again
Just to feel you underneath my skin
Holding on to the sweet escape
Is always laced with a familiar taste of poisonI don't wanna be saved, I don't wanna be sober
I want you on my mind, in my dreams
Behind these eyes and I won't wake up
No, not this timeI breathe you in again
Just to feel you underneath my skin
Holding on to the sweet escape
Is always laced with a familiar taste of poison
A familiar taste of poison, a familiar taste of poison
