Together (Anakyn Remix)

Ella Eyre

It's all right, all right
It's all right, all right
It's all right, hmSo many times has it all been said and done
In the end it's the fight that's just begun
Understand that it's days like these
When the world is so hard to please
It knew my heart has found a home'Cause it's not about me fuck
It's not about who I want to be
It's not about you
You know that we are better off as two'Cause we are, we are, we are, we are born
Yeah, we are, we are, we are, we are born
Together (It's all right, all right)
It's all right (It's all right, all right)
It's all right (It's all right, all right)
It's all right (It's all right)
Together (It's all right, all right)
It's all right (It's all right, all right)
It's all right (It's all right, all right)
It's all right (It's all right), togetherThese games they will always end the same
'Cause neither you or I will take the blame, oh
Sometimes we go too far
But I like it the way we are
Right here I give your heart a homeNo it's not about me
It's not about who I want to be
It's not about you
You know that we are better off as two'Cause we are, we are, we are, we are born
Yeah, we are, we are, we are, we are born
Together (It's all right, all right)
It's all right (It's all right, all right)
It's all right (It's all right, all right)
It's all right (It's all right)
Together (It's all right, all right)
It's all right (It's all right, all right)
It's all right (It's all right, all right)
It's all right (It's all right), togetherIt's not about me
It's not about who I want to be
It's not about you
You know that we are better off as two'Cause we are, we are, we are, we are born
Yeah, we are, we are, we are, we are born

Together (It's all right, all right)
It's all right (It's all right, all right)
It's all right (It's all right, all right)
It's all right (It's all right)
Together (It's all right, all right)
It's all right (It's all right, all right)
It's all right (It's all right, all right)
It's all right (It's all right), together
Together
