

OUR WEIGHT IN OIL

[Matt Elliott](#)

And the world was lost some years ago
When the tyrants upped & seized control
And we lost our lives to worthless toil
And we're worth less than our weight in oil But the stockholders all had their pay
But it's we who clean their mess anyway
And that revolution never came
And we'll never see that chance again And hurt is all we know
And hurt is all we know
And hurt is all we know
And hurt is all we know
And hurt is all we know
And hurt is all we know
And hurt is all we know And hurt is all we know
And hurt is all we know
And hurt is all we know
And hurt is all we know And hurt is all we know
And hurt is all we know
And hurt is all we know
And hurt is all we know And hurt is all we know
And hurt is all we know
And hurt is all we know
And hurt is all we know
And hurt is all we know
And hurt is all we know
And hurt is all we know
And hurt is all we know
