

Susie Thumb

Ty Segall

Susie wants to view
All the latest news
Sitting on the screen
She wants to be free Maybe I can get to my phone
Maybe I can see what's done
Maybe I'll get onto TV
Oh, maybe, we'll see Susie wants to be
On all the TVs
Sitting in the screen
She waits for you and me
Maybe she can last a while
Maybe she will show a smile
Maybe she'll get onto TV
Oh, maybe, we'll see Maybe I can get to my phone
Maybe I can see what's done
Maybe she'll get onto TV
Oh, maybe, we'll see
