

# The Truth

## Grave Digger

Advisory - the following lyrics contain explicit language:

Tonight I had a weird dream  
I saw a demon eating men  
He crushed Skulls to dust  
His eyes filled with black lustThe demon rules the battlefield  
Religion rules with pain and steelGod is love  
Hell is openRefrain:Searching for the Truth  
Searching for eternal Life  
Searching for the Truth  
You Reach for heaven but you'reHeaded for HellI've seen brother fighting brother  
I've seen friends kill each other  
Love is preaches to mankind  
just belive death you'll find
