

Ambassador

Tony Mason

I never knew just who I was I never knew just who I was
Oh no And I never understood my true reason
Why did you bring me here to be? Was it to discover you inside of me?
And suddenly your words came breaking through
You said, remember son, it is me who chose you
And you appointed me to go and represent your name
And I, I'm an ambassador I represent the king of kings and lord of lords
I pledge allegiance to your throne and make your kingdom my own
For I'm an ambassador of your kingdom
Now your words will lead me on As I carry out the will of my king
And I will not speak of my own accord But the will of the one who has appointed me
And I will not be concerned over the things I need
For my king shall supply all these for me
And I will never be ashamed to declare to you today
That I, I'm an ambassador I represent the king of kings and lord of lords
I pledge allegiance to your throne and make your kingdom my own
For I am your ambassador
And I will do my best to represent the constitution of your government
I pledge my life to live for you and proclaim your kingdom come
I represent the king of kings and lord of lords
I pledge allegiance to your throne and make your kingdom my own
For I'm your ambassador
For I'm your ambassador
I represent the king of kings and lord of lords
I pledge allegiance to your throne and make your kingdom my own
For I'm your ambassador of your kingdom
I'm your ambassador of your kingdom
