Warrior

Kaedyn Kashmir

Iâ€™m a warrior
Iâ€™m a warrior
Iâ€™m a warrior Oh oh ooh oh

As I walk
Through the storm
And itâ€™s all
Falling down

I can count
On one hand
All the friends
That stuck around

But Iâ€™m kicking
And screaming
Picking
Up the pieces
I got to let you know
But Iâ€™m punching
Through the ceiling
Chasing
Down a feeling
No I wonâ€™t let it go

You tried to cut me down
You pushing me around
But Iâ€™m a warrior, warrior, warrior
You tried to cut me down
You pushing me around
But Iâ€™m a warrior, warrior, warrior
Got my heart
On a string
Ainâ€™t a thing
That I can do
So I start
To believe
Iâ€™m better off without you

But Iâ€™m kicking

And screaming
Picking
Up the pieces
I got to let you know
But Iâ€™m punching
Through the ceiling
Chasing
Down a feeling
No I wonâ€™t let it go

You tried to cut me down
You pushing me around
But Iâ€™m a warrior, warrior, warrior
You tried to cut me down
You pushing me around
But Iâ€™m a warrior, warrior, warrior
I just wanna
Watch you suffer
And tell me how it feels
I just wanna
Be a wound that
Never ever heals
Cause Iâ€™m a warrior
Iâ€™m a warrior
Iâ€™m a warrior oh oh ooh oh
Cause Iâ€™m a warrior
Iâ€™m a warrior
Iâ€™m a warrior oh oh ooh oh

You tried to cut me down
You pushing me around
But Iâ€™m a warrior, warrior, warrior
You tried to cut me down
You pushing me around
But Iâ€™m a warrior, warrior, warrior
I just wanna
Watch you suffer
And tell me how it feels
I just wanna
Be a wound that
Never ever heals
Cause Iâ€™m a warrior
