

Reality

David Bowie

Tragic youth was looking young and sexy
The tragic youth was wearing tattered black jeans
Bearing arms and flaunting all her mischief
The tragic youth was going down on me

And I swear

Woo hoo

Yes I swear

I built a wall of sound to separate us
And hid among the junk of wretched highs
I sped from Planet X to Planet Alpha

Struggling for reality

Ha ha ha ha

Woo hoo

Ha ha ha ha

Whoo hoo

Hey, now my sight is failing in this twilight

Da da da da da da da da da

Now my death is more than just a sad song

Da da da da da da da da da

And I swear

Woo hoo

Yes I swear

Woo hoo

I still don't remember how this happened
I still don't get the wherefores and the whys
I look for sense but I get next to nothing

Hey boy welcome to reality

Ha ha ha ha

Woo hoo

I've been right and I've been wrong
Now I'm back where I started from
Never looked over reality's shoulder

Ha ha ha ha

Huh ha ha ha

Woo hoo

Huh ha ha

Wooh

Woo hoo

Wooh
