

# Burning a Hole In My Mind

[Connie Smith](#)

Though it happened long ago, the hurt just won't let go  
And it's burning a hole in my mind  
I see her and I see you and the things we used to do  
And it's burning a hole in my mind I said I'd forget and I tried but my heart tells my tongue that it lied  
Though I've tried to forgive every moment I live is a torture the devil designed  
In my mind's eye I see how you made a fool of me  
And it's burning a hole in my mind Though it happened long ago, the hurt just wouldn't let go  
It's the torture the devil designed  
In my mind's eye I see, how you made a fool of me  
And it's burning a hole in my mind, it's burning a hole in my mind
