I Get Weak

Jordan McCoy

when i'm with you
i shake inside
my heart's all tangled up
my tongue is tied, it's crazy
can't walk, can't talk, can't eat, can't sleep
oh, i'm in love, oh i'm in deep, oh baby
with a kiss you can strip me defenceless
with a touch i completely lose control
all that's left of my strength is a memory, whoai get weak when i look at you
weak when we touch
i can't speak when i look in your eyes
i get weak when you're next to me
weak from this love
i'm in deep when i look in your eyes
i get weakconvincing eyes, persuasive lips
the helpless heart just can't resist their power
you know you've got a hold over me
you know you've got me where i want to be, cuz baby
like a wave you keep pulling me under
how I'll ever get out of this i don't know
i just know there's no way to fight it, whoai get weak when i look at you
weak when we touch
i can't speak when i look in your eyes
i get weak when you're next to me
weak from this love
i'm in deep when i look in your eyes
i get weak, i get weak, i get weak, yeahjust a kiss you can strip me defenseless
just a touch i completely lose control
all that's left of my strength is a memory, whoai get weak when i look at you
weak when we touch
i can't speak when i look in your eyes
i get weak when you're next to me
weak from this love
i'm in deep when i look in your eyes
i get weak, i get weak, i get weak
