Stay

Telluride

What a wonderful way to have a day begin
We should open up those windows let some love shine in
Well honestly I believe donâ€™t get no better than this
Well donâ€™t get up just yet give me one more kiss

I know youâ€™re running behind
So baby whatâ€™s another nine minutes
So wonâ€™t you stay with me donâ€™t ever leave this warm bed
Yeah itâ€™s cold outside baby please donâ€™t leave me lonely
Got plenty of time for the grind and the nine to five any other day
So baby stay.

I can see by the way youâ€™re lookinâ€™ at me
And the fact that youâ€™re still here says you donâ€™t disagree
Well you can hardly believe we only met last night
But Iâ€™ve been waiting on you baby for a long long time

Itâ€™s not me to beg and plead, but look at what youâ€™re doinâ€™
Wonâ€™t you stay with me donâ€™t ever leave this warm bed
Yeah itâ€™s cold outside donâ€™t ever leave me lonely
Got plenty of time for the grind and the nine to five any other day
So baby stay

Baby lay right here Iâ€™ll make you breakfast in bed
And Iâ€™ll write you a song, wonâ€™t take long to let you know how much I need you

Stay with me donâ€™t ever leave this warm bed
Yeah itâ€™s cold outside baby please donâ€™t leave me lonely
Got plenty of time for the grind and the nine to five any other day
So baby stay, stay.
Oh now stay, stay.
