

# Please Call Me, Baby

Tom Waits

The evening fell just like a star  
Left a trail behind  
You spit as you slammed out the door  
If this is love we're crazy  
As we fight like cats and dogs  
But I just know there's got to be more So please call me, baby wherever you are  
It's too cold to be out walking in the streets  
We do crazy things when we're wounded  
Everyone's a bit insane  
I don't want you catching your death of cold  
Out walking in the rain I admit that I ain't no angel  
I admit that I ain't no saint  
I'm selfish and I'm cruel, but you're blind  
If I exorcise my devils well my angels may leave too  
When they leave they're so hard to find So please call me, baby wherever you are  
It's too cold to be out walking in the streets  
We do crazy things when we're wounded  
Everyone's a bit insane  
I don't want you catching your death of cold  
Out walking in the rain And we're always at each other's throats  
You it drives me up the wall  
But most of the time I'm just blowing off steam  
And I wish to God you'd leave me  
Baby I wish to God you'd stay  
Life's so different than it is in your dreams So please call me, baby wherever you are  
It's too cold to be out walking in the streets  
We do crazy things when we're wounded  
Everyone's a bit insane  
I don't want you catching your death of cold  
Out walking in the rain
