Take My Hand

Angela Ammons

I need love to life me up
I need time to tell me what to do
And it's been a long ride
And I can't make it through, oh, oh
All I want and all I need
Is to be strong, can anybody?
Take my hand and let me know the way
To face another day
Won't somebody take my hand
And lift me off the ground?
Is anyone around
To take my hand?
Tell me where I need to go
And tell me how long, until I see the day
When I can shed my skin
And I can throw it all away, all, all away
All I want and all I need
Is to be strong, can anybody?
Take my hand and let me know the way
To face another day
Won't somebody take my hand
And lift me off the ground?
Is anyone around to take my hand?
Take my hand, take my hand
Oh, I've fallen deeper than I've been
And I can't feel anything
If only I could spread my wings
And fly, fly away
All I want and all I need
Is to be strong and to belong
Take my hand and let me know the way
To face another day
Won't somebody take my hand
And lift me off the ground?
Is anyone around to take my hand?
Just take my hand
Oh, oh, oh, oh, yeah
Just take my hand
