

# Every Little Thing She Does Is Magic

Sting

Oh I've tried before to tell her  
All the feelings I have for her in my heart  
Every time that I come near her  
I just lose my nerve as I've done from the start  
Every little thing she does is magic  
Everything she do just turn me on  
Even though my life before was tragic  
Now I know my love for her goes on  
I've had to tell the story  
Of a thousand rainy days since we first met  
It's a big enough umbrella  
But it's always me that ends up getting wet  
Every little thing she does is magic  
Everything she do just turn me on  
Even though my life before was tragic  
Now I know my love for her goes on  
I resolve to call her up a thousand times a day  
And ask her if she'll marry me in some old fashioned way  
But my silent fears have gripped me  
Long before I reach the phone  
And before my tongue has tricked me  
Must I always be alone  
Every little thing she does is magic  
Everything she do just turn me on  
Even though my life before was tragic  
Now I know my love for her goes on  
Every little thing she does is magic  
Everything she do just turn me on  
Even though my life before was tragic  
Now I know my love for her goes on  
On and on and on and  
Every, every little thing, every, every little thing  
Every little, every little, every little  
Every little thing she does, every little thing she does  
Every little thing she does, every little thing she does  
Thing she does is magic  
Every little thing, every little thing  
Every little thing she do is magic, magic, magic  
Magic, magic, magic
