

# That's How Strong My Love Is

**Mick Hucknall**

If I was the sun way up there  
I'd go with love most everywhere  
I'll be the moon when the sun goes down  
Just to let you know that I'm still around

That's how strong my love is,  
That's how strong my love is, oh  
That's how strong my love is, baby  
That's how strong my love is

I'll be the weeping willow drowning in my tears  
You can go swimming when you're here  
And I'll be the rainbow when the sun is gone  
Wrap you in my colors and keep you warm

That's how strong my love is,  
That's how strong my love is,  
That's how strong my love is, baby  
That's how strong my love is

I'll be the ocean so deep and wide  
I'll be the tears whenever you cry  
I'll be the breeze after the storm is gone  
To dry your eyes and love you, love you warm

That's how strong my love is  
That's how strong my love is  
it's so deep, it's so wild  
I love you, love you, love tonight  
that's our love is, love love love love is alright  
That's how strong my love is  
That's how strong my love is
