

# Strong Enough To Save

## Tenth Avenue North

[Verse 1:]

You faught  
but you were just too weak  
so you lost  
all the things you try to keep  
now you're on your knees, you're on your knees But wait,  
everything can change,  
in a moments time you don't have to be afraid,  
cause fear is just a lie  
open up your eyes [Chorus:]

And he'll break  
open the skies to save  
those who cry out his name  
the One the wind and waves obey  
is strong enough to save you [Verse 2:]

Look  
now is not too late  
lift up your head  
let the rain fall on your face  
you're not far from grace, you're not too far from grace [Chorus:]

And he'll break  
open the skies to save  
those who cry out his name  
the One the wind and waves obey  
is strong enough to save you

[Repeat] [Bridge:]

I know the weight of this world can take you down like gravity and I know the current of yourself can take you  
out, out to sea but hold on, hold on [Chorus:]

And he'll break  
open the skies to save  
those who cry out his name  
the One the wind and waves obey  
is strong enough to save you
