An Old Fashioned Love Song

Three Dog Night

Just an old fashioned love song

Playing on the radio

And wrapped around the music is the sound

Of someone promising they'll never goYou'll swear you've heard it before

As it slowly rambles on and on

No need in bringing 'em back

'Cause they've never really goneJust an old fashioned love song

One I'm sure they wrote for you and me

Just an old fashioned love song

Coming down in three part harmonyTo weave our dreams upon and listen

To each evening when the lights are low

To underscore our love affair with tenderness

And feeling that we've come to know You'll swear you've heard it before

As it slowly rambles on and on

No need in bringing 'em back

'Cause they've never really goneJust an old fashioned love song

Coming down in three part harmony

Just an old fashioned love song

One I'm sure they wrote for you and meJust an old fashioned love song

Coming down in three part harmony

Just an old fashioned love song

One I'm sure they wrote for you and meTo weave our dreams upon and listen to a song

Just an old song coming down

Just an old song

What I'm sure they wrote for you and meJust an old fashioned love song

Coming down in three part harmony

Just an old fashioned love song

One I'm sure they wrote for you and meJust an old fashioned love song

Coming down in three part harmony

Just an old fashioned love song

One I'm sure they wrote for you and meJust an old fashioned love song

Coming down in three part harmony

Just an old fashioned love song

One I'm sure they wrote for you and meJust an old fashioned love song

Coming down in three part harmony

Just an old fashioned love song
