Jhene

I was the young girl,
I was the dumb girl,
I was the one who can never be your one girl!
You were the fly guy,
Never asked why guy
Running around, making all the girls cry, guy!
Laying in your bed is gets so cold,
You wonder why!
You were such the man
Damn what happened
It's just so sad!
They say
[Chorus:]Mister popular, why are you alone now?
Mister popular, where are all your (hoes) now?
Mister popular why are you alone now?
Where did they all go now?
Mister popular, where did they all go now,
Why are you so lonely now?
Damn, homie, in high school
You was the man homie,
The fuck happened to you ..[2x]
He wanted things that he didn't need
And I was the one who was trying to make him see

That he had it all cause he had my all,
But he's a lost cause,
Guess you cannot save them all!
Now he's at my show
Standing front row,
He don't know how
He messed up such a good thing
Look who's popular now!
They say
[Chorus:]Mister popular why are you alone now?
Mister popular, where are all your hoes now?
Mister popular why are you alone now?
Where did they all go now?
Mister popular, where did they go now,
Why are you so lonely now?

Damn, homie, in high school
You was the man homie,
The fuck happened to you [2x]
Damn homie, damn homie
The fuck happened to you
Damn, homie in high school
You was the man homie
The fuck happened to you?
