# Sanctuary

## Ben Moody

[Father never warned him of the dead that live within, tearing through his skin at last]Heavy head in battered hands the tortured boy kneels
Praying to an empty God to see this end tonight
Father never warned him of the dead that live within
Tearing through his skin at lastI am not your sanctuary
I am not your alibi
Try and break through the walls around you
Beat me with broken hands
I will silence youJust beyond the shadows waits a darkness
Only you my child can bear this gift from me
I leave you now to claim your place across the great divide
All shall suffer meI am not your sanctuary
I am not your alibi
Try and break through the walls around you
Beat me with broken hands
I will silence youI am the enemy, I am the enemy
I am the enemy (I am the enemy)I am the enemy (I am the enemy)
I, I am the enemyI am not your sanctuary
I am not your alibi (I am the enemy)
Try and break through the walls around you
Beat me with broken hands
I will silence you (You)I am the enemyI am the enemy (I am the enemy)
I am the enemy (I am the enemy)
I am the enemy (I am the enemy)
I am the enemy (I am the enemy)
