

Restore Me Again

Deitrick Haddon

I've been ungrateful,
I've been unfaithful;
yet you still find mercy for me.

OOOOH!

I've been unfaithful,
I strayed away! but you never stopped believing in me.

OOH!

Lord I have fallen (fallen)
short of your glory
but I refuse to let that be the end of my story.

& You! said if we confessed
you'll forgive our sins!
I'm asking you lord to restore me again.

DO it Jesus (do it Jesus)
only you can do it Lord.

Restore me again
I let my flesh crowd my mind
i didn't pass the test i wanted to cry.

Ooh!

sin has left me, so empty inside.
Right now I'm ready to give you my life

Lord I have fallen (Short of glory)
Short of your glory

I refuse to let that be the end my story.
you said if we confess (you'll Forgive)
you'll forgive our sin

Oh Lord!

I'm asking you lord to restore me again.
(Again)

Create in me a clean heart
Oh lord!

and renew the right spirit in me.
Oh Lord!

Oh lord I am down on my knees!
Do it for me (do it for me Jesus)
Do it lord (Do it for me lord)

Restore me again (restore me again, again, again, and again!)

Do it for me (Do it for me Jesus)
You can do it! (Do it for me lord)

I want to be born again!
I'm asking you to restore me again.
Do it for me (do it for me jesus)
Do it lord (Do it for me lord)
Restore me again (restore me again, again, again, and again!)
Do it for me (Do it for me Jesus)
I think I'm ready! (Do it for me lord)
I'm asking you to restore me again
please do it
jesus will you... do it again
End
