Strange Moves

The Hardkiss

Come with me
I'm gonna show you how it's to feel free
Tonight for sure I will be dancing dancing dancing
Dancing only with you
Cause it's my favorite tune
I see that you love it too
Oh baby!
On the heels I'm gonna rock it out
My hips and knees are rolling rolling
Causr I'm dancing dancing dancing
Dancing only with you
I know that you want it too
Come see my strange moves
Making me a little closer to you
Oh my love, I believe it won't end
And strange moves are making me little closer to you
Oh my love I believe it won't end and
Come with me
I'm gonna show you how it's to feel free
Tonight for sure I will be dancing dancing dancing
Dancing only with you
Cause it's my favorite tune
I see that you love it too
Oh baby! Stay with me
I'm gonna share with you my ecstasy
Keep close to me
I will be dancing, dancing dancing with you
I know you want it too - 5, 4, 3, 2, 1
Come see my strange moves
Making me a little closer to you
Oh my love I believe it won't end
And strange moves are making me little closer to you
Oh, my love, I believe it won't end Yeah
And strange moves are making me little closer to you
Oh my love I believe it won't end Yeah
And strange moves are making me little closer to you
Are making me making me
Ecstasy my baby
Oh Yeah

And then I saw you on the dance floor
You were so funny
Your strange moves ... Like
There and back there and back
And than I felt your hand on me
It was so hot And I'm like
Wow!
(Love and passion)
Strange moves
Making me a little closer to you
Oh my love I believe it won't end Yeah
Strange moves
Making me a little closer to you
Making me Making me
