

That's What They All Say

The Nods

Oh, no, no, everything must go
Lost our lease to the liquor store
We'll be back to fight another day
Yeah, uh-huh, that's what they all say
Going out of style in a paper bag
Sniffing chloroform out of burning flags
Going down in flames and it feels okay
Yeah, uh-huh, that's what they all say
Yeah, yeah, yeah, it's a pleasure to burn
I keep fucking up and I never learn
It's alright, it's okay, we're gonna beat 'em anyway
Yeah, uh-huh, that's what they all say
Yeah, uh-huh, that's what they all say
Take it easy, take it easy
You won't like me when I'm angry
Mashed potatoes, nice and easy
It didn't have to be this way but
That's what they all say
The devil's in the details, the devil's in the details
Sucking on the third, I said, "The devil's in the details"
It's alright, it's okay, we're gonna beat 'em anyway
Yeah, uh-huh, that's what they all say
Yeah, uh-huh, that's what they all say
I want to go down in flames, I want the guilty to hang
The empire falls, it's a pleasure to burn
A pleasure to burn the conquering worm
Yeah, uh-huh, that's what they all say
