Suspicion

Steve Forbert

Every time you kiss me
I'm still not certain that you love me
Every time you hold me
I'm still not certain that you care
Though you keep on saying
You really, really, really love me
Do you speak the same words
To someone else when I'm not there?Suspicion torments my heart
Suspicion keeps us apart
Suspicion why torture me?Every time you call me
And tell me we should meet tomorrow
I can't help but think that
You're meeting someone else tonight
Why should our romance
Just-a keep on causing me such sorrow?
Why am I so doubtful
Whenever you care out of sight?Suspicion torments my heart
Suspicion keeps us apart
Suspicion why torture me?
