

# the tinderbox

## Cocteau Twins

They are beaten  
You'd feel danger there  
[Repeats throughout:]  
Through the edged are beaten  
You'd feel danger there  
[Whispered:]

How heavy you are on this faded hatch  
Tinderbox of a heart left a shell is all  
How heavy you are on this faded hatch  
Tinderbox of a heart left a shell is all  
[x2]

Bleed in your fate's ground through the edge  
It's so bloody and blunt of big crystal eyes  
How heavy you are; it's fading your hatch  
Tinderbox of a heart left a shell is all  
[x2]
