Best Friend's Arm

Pavement

??? liar
(I can see, I can see, I can see, I can see)
???? ah come on, let's go
(I can see, I can see, I can see, I can see)
Yeah baby I've lost ???
??
(I can see, I can see, I can see, I can see)
Everybody looks like
(I can see, I can see, I can see, I can see)
When you lay that down
With an eight-eight track, everybody laughs
But they don't know what you're sayin'
(I can see, I can see, I can see, I can see)
??? I guess if not...
(I can see, I can see, I can see, I can see)
Keep it under your best friend's arms [x9]
Keep it under
