

# Best Friend's Arm

## Pavement

??? liar

(I can see, I can see, I can see, I can see)

???? ah come on, let's go

(I can see, I can see, I can see, I can see)

Yeah baby I've lost ???

??

(I can see, I can see, I can see, I can see)

Everybody looks like

(I can see, I can see, I can see, I can see)

When you lay that down

With an eight-eight track, everybody laughs

But they don't know what you're sayin'

(I can see, I can see, I can see, I can see)

??? I guess if not...

(I can see, I can see, I can see, I can see)

Keep it under your best friend's arms [x9]

Keep it under
