

Never Alone

Cedric Benoit

You were like a lost kid looking for home
You found what you wanted right in my arms
If you walk out on me, just leave your memory
 Just take my sympathy and go
 I love you so you're never alone
 If you find another one turns your head
 And you can't understand why it hurts so bad
 If you walk out on me, just leave your memory
 Just take my sympathy and go
 I love you so you're never alone
 Ain't no need to talk about it
 I can learn to live without it
 Just leave your heart right here with me
If you walk out on me, just leave your memory
 Just take my sympathy and go
If you walk out on me, just leave your memory
 Just take my sympathy and go
 I love you so you're never alone
 Girl, you're never alone never alone
